

Ninth Inning Rally Gives Vets Victory

Break Tie With East Pasadena By Fierce Bombardment And Win 8-2

Busier and more alert than the famous one-armed paper hanger, with a hole in the outfield due to an eight-man team, Sierra Madre Legion pulled a hot game out of the fire last Friday in the ninth inning when they drove in six runs, breaking a 2 to 2 tie with the cocky East Pasadena veterans who were snowed under in an avalanche of hits.

Loftus, former hurler for Arcadia in the Sierra Nite League, puzzled the Sierra Madre swatters until the fourth inning when Gwyn singled. He was forced at second by Young, who advanced to third on a wild pitch and scored when Berg fumbled Pratt's grounder.

East Pasadena made its bid in the sixth when Farr singled after two were out. Boyle smashed a hot one down the third base line. The umpire called it fair and the crowd razzed him plenty, but Boyle made the round of the bases, scoring Farr ahead of him.

Sierra Madre tied the game up in the seventh when Mathis singled and scored on Hill's single.

Myers Files As A Candidate Against Hugh A. Thatcher

Following formal announcement several weeks ago of his candidacy for the place on the Board of Supervisors now held by Hugh A. Thatcher of Pomona, City Business Manager Al S. Myers filed his nomination papers on Tuesday with the county registrar of voters.

The papers were signed by Dean A. G. H. Bode, Col. H. B. Hersey, Samuel H. Blum, Alan K. Thompson and Mrs. Grace B. Caukin, of this city; A. L. Daniels, L. T. McLean, A. B. Wood, Jennie F. Ohlman, Scott A. Wiley, R. E. Erickson, Blake Smith, O. P. Peterson, Babs Corby, L. C. Kenworthy, Peter I. Cucchi, W. S. Wheeler and Robert A. Jensen, of Arcadia; C. B. Bittling, of Whittier Blvd.; William Kreyser of Pomona; W. T. Downing, of Compton; H. M. Davis, and G. W. White, of El Monte; H. R. Berry, Baldwin Park; H. S. Stewart, San Gabriel; T. Paris, Rosemead; A. T. Ezell, Belleflower, and A. P. Abbott, W. N. Palmer and Louise W. Baldwin, of Whittier.

Assemblyman Frank G. Martin also filed his petition as a candidate for re-nomination as the Republican candidate for the Legislature in the 48th district.

Extend Dole System To Pasadena Area; This One Comes Next

The dole will be resorted to in the Pasadena area by the County Welfare Department beginning July 1 when checks instead of food and commodities will be handed out to the 3,000 welfare cases there. The dole experiment was first tried in the Pomona area with announcement that it would be observed over a 30-day period that has not expired. If it is found satisfactory in the Pomona district by the expiration of the time fixed it is expected the Alhambra area, which includes Sierra Madre for the purposes of the Welfare Department, will be the next district to be placed on the new basis. The 3,000 Pasadena cases affect 12,000 persons.

Short Time To Qualify For The August Primary

So that every voter will be qualified for the August primaries, emphasis was placed today on the fact that July 19 is the final time for registration. City Clerk Waverly E. Pratt will enroll any citizens who have failed to qualify, at the City Hall.

Persons who have moved since they voted last or those who failed to vote at the last general election must re-register before they can cast a ballot August 28. The "permanent" registration plan is in effect, whereby once a person registers, votes at all elections and never changes precincts, he does not have to register for each balloting. Of course, those persons just becoming of age must register, too, it was explained.

Sober Second Thought Halts Many Marriages

The California gin-marriage law—compelling couples to stop, look and listen for three days after filing application for a marriage license, is making Cupid's darts take some fickle courses, reports the Human Betterment Foundation of Pasadena.

In San Francisco, 5555 marriage license applications were filed and 5164 licenses granted, showing 391 couples who changed their minds while the changing was good. At the same time, 18,080 applications were made in Los Angeles and 17,482 licenses granted, showing 598 couples had a change of heart. Twice the percentage veered away from the altar at the last minute in San Francisco, as compared with Los Angeles, and cynics are pointing to the fact that Los Angeles collects the \$2 license fee when a notice of intention to wed is filed, while San Francisco waits until the license is issued before collecting. Two dollars seems to make a lot of difference.

Mexican Life Is Pictured To Forum

Mexico, as seen by Mrs. M. F. de Wright, after years of travel and residence in Europe and South and Central America, was vividly portrayed at a meeting of the Sierra Madre Forum on Tuesday night by this gifted writer and speaker as a land of happiness, poverty and confusion. Happy in their handicrafts, poor because of primitive means of production, confused because of maladministration of their constitution and continued exploration by those who, living luxuriously in Paris, knew little of their country's realities.

Disappointed by their failure of the ideals of Mexico's new constitution, Mrs. de Wright expressed fear that human nature, here in Mexico, would prevent the success of efforts toward economic adjustments.

Presenting a comprehensive review of events leading up to cancellation of the Air Mail contracts, Victor O. Schmidt stated that since hearings at which all companies holding air mail contracts were compelled to appear covered nearly a year, the slogan "cancellation without hearings" lacked foundation in fact. "Precedent for cancellation of contracts under the law invoked in the air-mail matter," said Mr. Schmidt, "was found in several cases, in particular when President Garfield ordered cancellation of post office contracts with the words, 'Cut out the ulcer.'"

"The public's interest has been served," added the speaker, "since new competitive bids reduced rates from one-half to one-eighth, with greatly increased routes, all companies holding certificates of convenience and necessity from the Interstate Commerce Commission bidding, and a cut of two cents provided in the new air-mail postage rate." W. L. Rowe, of San Fernando, under the auspices of the local Red Cross, showed his famous pictures of reptiles, and stated that rattlers are our only poisonous snakes. "The tourniquet, incision, sucking or drawing out the venom with a mechanical device, and above all, quiet, unhurried movements to medical or hospital assistance, are vital in the treatment of snakebites," said Rowe.

Composition Of A Local Playwright On The Air Tonight

"Conchita," a recently published song by Henry Gordon, Sierra Madre and Hollywood playwright, will be given its radio premiere broadcast between 9:15 and 9:30 this evening over KNX. Local friends of the composer have been favored with autographed copies of the song, the words of which are by H. G. Coulter.

Whittier Family Buys Home In Villa

The stately old Vosberg home in Sierra Madre Villa, corner Pasadena Glen and Villa Road, was sold this week by Woodson F. Jones of the Sierra Madre Realty company to Mr. and Mrs. E. D. Fish, of Whittier. The Vosberg home was one of the old show places of this community in the pioneer days.

Evans Wins Endorsement Of The GOP

District Conference Applauds Record In Congress And Pledges Support

Congressman W. E. Evans of this Eleventh district was unanimously endorsed for re-nomination and election at a convention or conference of 208 Republicans representing clubs and the party

Congressman W. E. Evans

organization in the various communities of the district held at the Pasadena Civic Auditorium on Friday. On Wednesday, upon his return from Washington, Mr. Evans filed his papers as a candidate.

The name of Mr. Evans was the only one presented to the conference, Francis J. Walker, former Pasadena City Trustee, gave notice that he would not permit his name to go before the meeting but that he would begin an active campaign early next month and would carry his fight directly to the voters of the district at the August primary election. He said he knew the Friday conference was "fixed in advance" and that the participants "were pretending to have an authority legally vested in the voters."

In a resolution adopted at the conference the Democratic administration was criticized for "the unprecedented increase in taxation," for its attempted "regimentation of the people" and for its wild and futile experimentation in the way of legislation. A section of the resolution follows:

"We believe in preserving the constitution unimpaired and unimpaired, and we look with alarm at the efforts being made under the guise of emergency seeking to set aside and nullify the bill of rights of the people as set forth in the great document."

"We deplore the extravagant waste of public funds by the federal government in attempting impracticable theories and the regimentation of the people."

The resolution endorsing Mr. Evans applauded his record in his eight years of service at Washington and expressed confidence in his integrity and ability. In the absence of the Congressman, who was still in Washington, Mrs. Evans made a short address reviewing his record.

Following the convention county central committeemen from the various legislative districts comprising the Congressional district elected district executive committees. Lester K. Layton, of this city; Frank P. Woods and E. V. Adams were chosen for this, the 48th legislative district.

Whole World Will See Highlight Of Chess Tournament

Two news reel concerns and a photographic news service have asked for the privilege of taking pictures of the highlight of tomorrow's annual Morphy Day Chess tournament at the City Park here. In this unusual feature, calling for the use of human pawns, members of the Children's Dramatic Guild, will serve as the "pieces" to be moved over the board (the park lawn in this instance) by Herman Steiner, international chess master and chess editor of the Los Angeles Times. This spectacular event is scheduled for 3 o'clock.

The tournament begins at 1 o'clock and will last until midnight. Invitations to be present have been accepted by many of the most noted players on the coast and it is expected that more than 300 will participate in the various events.

There will be a blindfold exhibition by Irving Spero, former champion of Ohio, and Meyer Schleifer, Southern California champion, at 2:10 and at 1:30 a match between ladies teams from Los Angeles and Pasadena.

The tournament, like its four predecessors, is sponsored by the Sierra Madre Chamber of Commerce and the program calls for the most interesting play yet seen here.

Strong Cast To Present Real Comedy

"Two Girls Wanted" Will Be Shown Tonite And Tomorrow At Woman's Club

"Two Girls Wanted," a riotous comedy in three acts, will have its first presentation this evening at 8:15 o'clock at the Woman's Club House. The play is being staged by the Drama Section of the Club under the direction of Mrs. Pearl Virginia Steinberger. The comedy will also be shown Saturday evening. Eleven of Sierra Madre's cleverest amateur performers are in the cast.

The leading roles are being taken by Miss Treva Scott and Sellwyn Myers. Miss Scott has appeared in many local productions as well as the professional and semi-professional stage. She recently appeared in a motion picture of high school life. Mr. Myers is active in Pasadena Community Playhouse productions.

Others cast in roles are Pat Selk, who will take the part of Sarah Miller; Mrs. Pulling, Mrs. Gock; Treva Scott, Marianna Miller; Cynthia Hull, Miss Timoney; James Kelleher, Johnny and Michael; Gilbert Sommer, Jack Terry; Henry Neutzel, Phillip Hancock; Sellwyn Myers, Dexter Wright; Dan Parker, William Moody; Mrs. F. L. C. Roess, Mrs. Delafield, and Mrs. Victor O. Schmidt, Edna Delafield.

Freedom Of Speech And The Press Will Be Forum's Topic

With the approach of the Nation's birthday, July 4th, citizens of Sierra Madre will hear a timely program in the City Hall auditorium, next Tuesday at 7:45, when freedom of speech and the press and the right of assembly, will be discussed.

R. F. Sparks, chairman of the board of "Friends of the American Constitution" will define the ideals and objectives of this organization, and one of its directors, John Beardsley, will be introduced by E. W. Camp.

Mr. Camp, one of Sierra Madre's most distinguished citizens, has on former occasions addressed the Forum on constitutional rights and has served on the Los Angeles Bar Association committees active in the interest and defense of human rights.

No Forum meeting will be held on July 3, but on July 10 there will be a special meeting in the school auditorium, with Judge Ben Lindsey, candidate for superior court judge, discussing his recent work on the California compliance board of the N.R.A. The meeting, as all Forum meetings, will be open to the public, with one of Harold Carew's popular discussions of current events.

Pastor And Bride Welcomed Home At Big Church Dinner

The homecoming of Dr. and Mrs. Arthur O. Pritchard was celebrated last evening with a dinner and entertainment at the Congregational Church. Over 150 friends gathered to wish the newlyweds well. A charming program, arranged by Mrs. Myrtle Hill, was presented, following the dinner. The affair was in charge of the Women's Society of the Church. Mrs. Pritchard was presented with a beautiful bouquet and a wedding cake, baked by Mrs. M. R. McBurney, was presented the honor guests.

Victoria Ballesteros was presented in two piano numbers "Sleigh Bells" by Tschokowsky, and "Elegie," by Youfeross. A pianologue, "The House by the Side of the Road," was entertainingly presented by Mrs. Lovetta Hicks Pratt and Mrs. Myrtle Hill. Mrs. May Barlow rendered three solos, "Beloved It Is Morn," "The Sweetest Flower that Grows" and "For You Alone." Miss Moreland Kortkamp played the piano selection, "Dedication" by Schuman. A quartette consisting of Mrs. May Barlow, Clarence Noshier, J. Buchan and Mrs. E. E. Bacon, sang the "Bells of St. Marys," and "Lord Bless and Keep You."

Library Trustees Voted Another Term

Mrs. J. N. Hawks and Miss Ella Shepard Bush have been re-elected members of the Sierra Madre Public Library Board for three year terms. Their unanimous choice by their colleagues in the library board was ratified by the City Council at its meeting last week.

LOCAL COUPLE CELEBRATE 68 YEARS OF WEDDED BLISS

Courtesy Pasadena Post

Sixty-eight years from the day they were married in Thomastown, Conn., as full of pep and life as their youngest kin, glowing in the unalloyed happiness that has marked their long journey, and eager for the years to come, Mr. and Mrs. Frederick Nichols, of 45 Olive street, celebrated their wedding anniversary with a family dinner party at the home of their daughter, Mrs. Irving Ward, on Sunday. Both are 88 years old.

"Not old," said Mr. Nichols. "We are 88 years young, for one is just as old as one feels."

The Nichols' may not be the

National record holders for length of married life, but their dual career stands unchallenged in point of unmatched faith, loyalty, and united effort to get from life the best it has to give. Every mile post in the long road was a path of sunshine and flowers.

"Here in our garden," said the beaming 68-year-old groom, "we are finding the winter of our journey as blithe and gay as when we started, with just as much love in our hearts."

There were 19 at the dinner party. Many others called during the day. Many messages of congratulation were received with presents of all kinds.

Not Single Case Of Poliomyelitis In This Community

Score another health mark for Sierra Madre. Despite the fact that the dreaded infantile paralysis found many victims in Los Angeles, and eleven cases developed in Pasadena, not a single case has been reported in Sierra Madre, Arcadia or Monrovia, Dr. J. D. Dunshee, head of the State Department of Public Health, declared yesterday that "the disease is becoming less prevalent in Southern California."

Dr. Wilton Lee Halverson, city health officer of Pasadena, says all the cases there are mild in character, and they are not worried over the situation, the number of new cases becoming less and less.

More than 80 per cent of all cases reported in Southern California are in individuals under 15 years of age, and more than one-third are in children between the ages of 5 and 9 years.

Three eminent doctors from the Rockefeller Institute of Medical Research, arrived in Los Angeles from the East to study the outbreak of poliomyelitis.

"There is a well-founded fear of this disease and there also is an unfortunate terror of it that is wholly unnecessary," said Dr. Dunshee. "There is no need for upsetting the normal trend of living for children, with the exception that care should be used in avoiding contact with sick persons and that care should also be exercised not to irritate the nasal passages."

Assessment Shows Halt In Decline Of Realty Values Here

Sierra Madre property valuations for 1934-35 tax assessment purposes are substantially the same as last year, according to the county assessor's office, property values here having experienced no downward trend such as has been apparent in the past few years of unsettled economic conditions.

The Board of Supervisors has announced that it will sit as a Board of Equalization to hear appeals from assessments beginning with a session on July 2. The meetings will be held at the Hall of Records in Los Angeles and will continue for two weeks or more. According to an opinion by the Supreme court taxpayers who fail to appear at these meetings may not later file claims for reductions.

'Where Nothing Ever Happens' Title Of New Shippey Novel

Lee Shippey, Sierra Madre's versatile columnist, has written another book. And it has been accepted by one of the largest publishing houses of the country, the Houghton-Mifflin Co., of Boston, for early publication. Contracts were received, signed and forwarded this week.

This one is a novel. "Where Nothing Ever Happens" is its title and it is about a country town in Southern California. Not only that... the town is referred to as "Ourville." And if you read Shippey's "Leeside of L.A." column you know that is the name he applies to his and your hometown. But he stoutly denies that Sierra Madre is the locale of the novel, or that the characters are Sierra Madreans.

Young Hunter Is Accidentally Shot By His Companion

While rabbit hunting in the Eaton Canyon section above the Hastings Ranch on Tuesday afternoon, Phillip O'Brien was accidentally shot by his friend, Louis LaLonde, of Pasadena. The wound was found to be a very grave one, since the bullet had twice pierced the walls of the stomach, after passing through the pancreas gland.

Pasadena detectives, who investigated the shooting, stated that without doubt the bullet was accidentally discharged, while Louis LaLonde was carrying the rifle under his arm. In twisting to get a shell from a pocket he accidentally discharged the gun.

O'Brien fell when he was hit and his frightened companion lifted the youth and carried him almost to Madre street in Pasadena.

The operating surgeons at the Pasadena Hospital located and removed the .22 calibre bullet.

Seek To Cut The Cost Of Government

Assemblymen Name Committees To Study Tax And Unemployment Problems

The Southern California delegation of the California Legislature, composed of members of the Assembly and the State Senate from the Southern counties, decided at a meeting in Los Angeles Monday evening to make an intensive study of ways and means to reduce the cost of State government as well as means to aid the unemployed and to care for the destitute and submit a report of their findings with recommendations to the next Legislature.

Assemblyman F. G. Martin, of Altadena, representing the 48th Assembly District, was appointed chairman of a committee of seven to study and report on ways and means "to aid the unemployed and care for the destitute; to study unemployment insurance plans, old age pensions, and our present social welfare service." This committee was instructed to offer definite recommendations for the consideration of the Southern California delegation at the regular meeting in December.

Other members of this committee are: Assemblyman C. Don Field, Glendale; Clare Woolwine, Fred M. Roberts, Herbert S. Hallner, and Willard E. Badham, Los Angeles, and James B. Utt, Orange County.

Physician Fined On One Charge Asks Trial On Another

Dr. J. Earl Gossard demanded a jury trial on the charge of cutting a corner when he was arraigned before Justice Gibbs in the Pasadena justice court yesterday in connection with the injuries received by State Motor Patrolman Cecil Calkins, who was run down and badly injured at Baldwin avenue and Foothill boulevard on June 7.

Dr. Gossard pleaded guilty to the charge of driving on the wrong side of the road and was fined \$5. Justice Gibbs fixed the jury trial on the other charge for Thursday, June 28, at 10 o'clock. At St. Vincent's Hospital, where Calkins is being treated, it was stated yesterday that he is making favorable progress.

Delay Opening Of Central Ave. Until Surface Dries Out

Unfavorable weather conditions made it impossible to open the Sierra Madre end of the Central avenue extension into Pasadena last Saturday as planned by the county road department. Road Superintendent Jones announced that the persistent high fogs and consequent lack of continued sunshine had not allowed the asphalt surface to dry out and "cure" and that ruts would inevitably have appeared had the street been opened as intended.

It was possible, Jones said yesterday, that the street might be opened as far as Villa road tomorrow, though it was possible that the barriers would not come down until Monday or Tuesday.

Going Away? Read What Chief McMillan Says

With the school year over and many Sierra Madre families preparing to take their summer vacations, Police Chief Gordon MacMillan has issued a bulletin to householders, advising them not to encourage burglars and prowlers. Here are the things the Chief says those intending to leave the city should and should not do:

- 1—Notify the police department of your departure and upon your return to the city.
- 2—Don't leave notes to milkmen or icemen or other tradespeople telling of your departure—notify them by phone.
- 3—Stop all newspapers.
- 4—Don't leave any doors or windows open.
- 5—Don't leave a light in the house.
- 6—Be sure to have mail forwarded or held so it will not pile up on doorstep.
- 7—Don't encourage solicitors or beggars.
- 8—Don't admit anyone to inspect furnishings, lighting, plumbing or for any other reason unless you have sent for them yourselves.
- 9—For those remaining at home the police ask their cooperation in calling the police at once if solicitors or any suspicious characters are in the neighborhood and also by refusing to give any information to strangers about neighbors who are out of town.

WHY THE BEE?

Sinclair has chosen the bee as
his campaign emblem. The choice
is ill-advised. It should have been
the grasshopper. Bees have no
need of pensions and paternalism.
They lay by honey for a rainy
day and for winter. They are
self-reliant and not in need of
any super-government. — Clare-

In A Social Way

BETHANY CHURCH was at-
tractively decorated on Tues-
day evening with a profu-
sion of light blue flowers for the
wedding of Miss Leslie Grace
Bourne, granddaughter of Mr. and
Mrs. H. N. Tally, of East Mon-
teito avenue, and Ray Hudson,
son of Mrs. Hudson of West
Highland avenue. The marriage
was solemnized in the presence
of 40 friends and relatives with
Rev. Stewart R. Sheriff reading
the service.

The bride was lovely in a gown
of pastel blue organdy and car-
ried a shower bouquet of pink
roses, blue sweet peas and baby's
breath. Her only attendant was
Miss Jacqueline Ward, who was
gowned in yellow organdy and
carried a bouquet of yellow roses,
blue sweet peas and baby's
breath. Mehl Gabelich, of San
Pedro, served the groom as best
man. Robert and Frank Ward
were ushers. Vocal selections were
rendered by Richard Knott and
Mrs. Ruth Harper, sister of the
bride. Miss Kathryn Wissler
played the wedding march and
music for the vocalists.

A reception was held in the
rotunda of the church, following
the ceremony. The young couple
left for a honeymoon of a week
or ten days at Fern Lodge. They
will make their home upon their
return on West Highland avenue.

Mrs. J. H. Robertson and Mary
Frances Brain attended the Bene-
dict Bridge given Wednesday af-
ternoon by the Federation of
Women's Clubs at the Miraflores
Estate, Santa Monica.

A farewell shower was given
by Miss Dorothy Moote at her
home, 689 West Central avenue,
on Saturday afternoon, in honor
of Mrs. Harry Rimmer. Guests
included the alumni of the Alpha
Areta sorority, of which Mrs.
Rimmer is a patroness.

Mrs. Warren O. Preston en-
tertained the out-going board of
the Parent-Teachers' Association
with a tea at her home, 503 West
Montecito avenue, last Tuesday
afternoon. Mrs. William Middough
and Mrs. Rudolph Hartman poured
tea. About 20 persons were pres-
ent.

Mrs. Walper and two sons,
Robert and George, and Mrs. J.
H. Hubbard of Pasadena, were
dinner guests last Sunday of
Mrs. Cynthia J. Holmes of 170
San Gabriel Court.

Mr. and Mrs. Robert Babbitt,

Business Recovery Shown By Increase In Motor Car Sales

"One of the best indications of returning prosperity is the increase in sales of cars in the lower price brackets," said Frank Lovell, local Ford dealer, yesterday. "Reports from all over the country indicate that the public is again buying automobiles."

In Southern California, during May, Ford sold 2206 cars, which is 58 more than last year, by Chevrolet, Plymouth and Oldsmobile combined. In metropolitan Los Angeles there were 52 more Fords sold than the combined sales of the next four sellers, namely Chevrolet, Plymouth, Buick and Oldsmobile.

State-wide figures show that there were more Fords sold than the combined sales of Chevrolet and Plymouth. Nationally, from January 1 to April 30, the best authoritative figures indicate that Ford sold 162,788 cars as contrasted with the sale of 146,328 Chevrolets; 91,555 Plymouths; 31,130 Dodge Brothers cars, and 23,437 Pontiacs.

New Library Books Have Strong Appeal To The Californians

Books just added to the circulation list at the Sierra Madre Public Library in addition to the much sought volume by President Roosevelt, "On Our Way," includes a number of very popular novels and several books of particular interest to Californians. During May 5390 volumes were circulated, a gain of 173 over the record established in the previous month. The new books now available are:

Fiction—Bottome, "Private Worlds;" Stern, "Summer's Play;" Farnol, "Winds of Chance;" Oppenheim, "Man Without Nerves;" Mulford, "Trail Dust;" Casey, "The Third Owl;" Diver, "Singer Passes."

Non-Fiction—Wharton, "Backward Glance;" Dickens, "Life of Our Lord;" Shankle, "State Names, Flags, Flowers, Seals, etc.;" Moul, "Best Poems of

MRS. CAUKIN OUT FOR CENTRAL COMMITTEE

Mrs. Grace B. Caukin has filed as a candidate for membership in the Democratic County Central Committee. Mrs. Caukin, Receiver of the United States Land Office at San Francisco during the Wilson administration, was former secretary of the Democratic State Central Committee, and has taken an active part in State and National campaigns for many years.

1933: Lagerlof, "Memories of My Childhood;" Roosevelt, "On Our Way;" Lyman, "Saga of the Comstock Lode;" Sawyer, "Water Gardens and Goldfish;" Bailey, "Gardener's Handbook;" Winwar, "Poor Splendid Wings;" Woolcott, "While Rome Burns."

Fire Flames

By One of the Boys

CONSIDERING the number of men that form the membership of the fire department, there has been very little change in the personnel during the past 10 years, showing that the men are not only interested, but that they have a great deal of genuine civic pride. Most of them have been active in the work for over seven years, while a few have been on the roll ever since the organization of the department. Chief Richards was elected to his office in 1925 and has been re-elected each year since.

They have asked for very little from the public and given many hours of service to the city. The funds of the city were not used when the "quarters" were furnished, and a big part of the fire equipment was supplied by the firemen themselves. They always show a willingness to co-operate with all civic organizations and undertakings, and have proven that they can always be relied on in emergencies. While the actual fighting of fires occupies only a small part of each man's time, the preparedness and other necessary activities requires considerable time, which is given gladly.

The clubroom supplied the firemen was greatly appreciated and, although it is much too small when 20 men get into it, they have enjoyed it to the fullest extent. There really should be more room and with very little cost to the taxpayers, the present "quarters" could be enlarged without marring the appearance of the City Hall.

Adjoining the present meeting room is a space that could be covered and made into a room with space to fill the requirements of the present membership. Above the engine room is a flat roof that can be covered and transformed into a room, greatly enlarging the "quarters" for the meetings that are becoming more and more popular. Anyway, that's an idea.

Quite a few of the local firemen attended the San Gabriel Valley and Citrus Belt Firemen's picnic at Riverside on Sunday and the first thing they announced on arrival home was that, had they had just one more man from Sierra Madre they would have won the tug of war contest. They should have had Joe Swanson along for how that boy can pull. He can also push.

Joe couldn't go to the picnic, because he has been jealous of the boat that was made by the Judge and Police Chief, so he spends his off time constructing one himself. He expects the fish to be so anxious to ride in it that they will crawl over the sides. If someone doesn't fall out of one of those tissue paper boats before the fishing season is over, well, we'll be surprised.

Our new forest patrolman Johnson has joined hands with the firemen and has been attending the meetings. A very fine chap and the boys all like him. Besides being very good to look at, he wears a smile from New York to Los Angeles.

Eastern Tourists Are Flocking To The Southland Now

Hundreds of eastern tourists and vacationists are now arriving in Southern California each week, the numbers of visitors showing a material increase over last year, it was announced here yesterday by G. W. Weatherby, district passenger agent for the Southern Pacific Company.

Among the largest groups to arrive are residents of Texas and Louisiana on special excursions being operated by Southern Pacific from those states on June 16 and 17, July 14 and 15, and August 18 and 19. This series of excursions alone are expected to bring at least 2,000 visitors to Southern California cities.

Touring parties now scheduled by various travel agencies from Illinois, Kansas, Wisconsin and other mid-Western states will bring more than 1,000 visitors here during the next two months, it is estimated.

Reservations also have been made for special pullmans and special trains to handle other groups coming from New York, Massachusetts, Pennsylvania, Mississippi and other states in the East.

QUAINT FOLK PLAYS IN THE PADUA HILLS

The Mexican Players at the Little Theatre in the Padua Hills will offer each Saturday afternoon and evening this summer a "Serenata Mexicana." This is planned, as have been those of the last two summers, so that more or less of it can be performed outdoors, depending on the temperature and the moonlight. The feature of the "Serenata" will be an original composition by three members of the group which will be used in various ways to make real the life of a Mexican village to American audiences. A colorful and romantic evening is assured to anyone who would like to shed the cares of everyday life and vicariously work and play, sing and dance through the hours of a day with this group of gay and talented residents of the land of "manana."

A. L. A. Activities

By Minnie Stinman

ONCE AGAIN this Unit is called upon to extend its sincere sympathy to a bereaved member, Mrs. Louise Roe Bobb, whose husband departed this life at Chicago last week enroute to his old home in Philadelphia.

All members are asked to study the June Bulletin; it contains very important information. Our next meeting, June 28th, will be one of the most vital meetings in the life of the unit. Nominations will be made for unit officers and delegates to the convention. These nominations can, and probably will, be closed that same evening, so if you want your favorite candidate nominated, come out June 28th and nominate her. Only paid up members can vote. Bring your membership cards. If you have misplaced your card, come anyway, as the secretary has a record of the number of your card, and can vouch for your right to vote. If you are not fully paid up, but desire to vote, see the secretary on or before June 28th. We want all the delegates we are entitled to in convention this year, as a thorough overhauling of Constitution and By-laws is promised, and other matters pending vitally affect every unit in the Department.

The last President's meeting of the year was held at East Pasadena last Monday evening. Five members of Unit 297 attended, Leila Embree, Helen Lovejoy, Bertha Irvine and Orrella and Minnie Stinman.

Membership reports showed that the district is within 40 of

its quota. Six resolutions were read which will be presented at convention. Unit 297 will enter two dolls in the Fidac contest. One will be dressed by Sylvia Quittner for the Seniors, the other by Marjorie Stinman for the Juniors.

Chairmen's picnic, Wednesday, June 20th, was attended by a dozen from our unit. All reports were handed to the District Chairman at that time.

Last Sunday, June 17th, the District Picnic took place at Baldwin Park. Dorothy Shetter, Bertha Irvine, Helen Lovejoy, Helen Fleming and Lucille Pickett accompanied by their families, represented this Unit.

During the social hour following our last meeting, President Embree was the surprise recipient of a going-away gift, a pair of sun-glasses. The Embree family will start for Iowa, June 29, for a two month's visit with relatives.

Americanism Chairman Maybelle Barker's Flag Day program showed much thoughtful care in preparation. A unique feature was the following beautiful little poem, "Allegiance," written especially for this occasion by Mrs. Florence Ekman.

"I pledge allegiance to the Flag;" How much these simple words imply, Far more than hoarse impulsive shouts When valiant flags go passing by, I pledge its honor to uphold, To cast my vote when vote I must, To keep the Constitution clean, Penned by those hands that now are dust.

To aid our noble President In each and every way I can, To love, to trust, to learn, to know, To educate my fellow-man "I pledge allegiance to the Flag."

At their meeting on Saturday the Juniors voted not to meet again till September 1st. Absent Juniors missed a treat, marshmallows and weiners to toast, and a big watermelon. The moral is—Come to your Junior meetings every time, starting September 1st.

Leila Embree entertained at luncheon on Thursday, at her home, the following chairmen, Juniors, Orrella Stinman; Legislation, Mrs. Caukin; Ways and Means, Catherine Miller; Community Service, Ellen Evans.

CITRUS FACTS Every Grower Needs Today

...available to all members of the Exchange through open meetings and reports

TODAY, LITTLE THINGS make big differences in the outcome of a year's citrus operations. Every grower needs detailed information on the condition and management of his business.

The Exchange grower can get all the facts and figures. Pool statements give each member a complete picture of his own operations in black and white.

Complete daily reports of all Exchange sales go to every Sunkist association. Teletype service to district exchanges and eastern offices make this market news service more efficient and economical. The growers and their associations can make intelligent comparisons of results.

Every week there is an open meeting of

the central Exchange Board of Directors who are growers elected from their local districts, where matters of policy and industry welfare are discussed and decided. Sunkist growers are welcome at these meetings. Many attend.

At the close of each year, the annual report of the Exchange's whole activity is mailed to every Sunkist grower. This report does not deal in generalities. It is in terms of dollars and cents, exact costs, number of cars sold and the influences affecting the marketing situation.

Exchange growers are the Exchange — having all this information, they are better able to govern their individual operations and to realize that their cooperative efforts are bringing them the best results.

STALY HOLLYHOCKS

GRACE ANY LOCALITY

THERE is no more stately or decorative perennial than the hollyhock and no more democratic plant as well as aristocratic. It graces a barnyard or the entrance to a millionaire's estate with equal beauty. It even runs wild in the countryside and makes brilliant groups along roadsides.

Many people depend upon self-sown seeds of their old plants to maintain a supply. While there will be myriads of plants, it is much better, and finer colors and plants are obtained by planting pedigreed seeds. The larger plants they can make this year the larger and finer the spikes will be next year.

While the hollyhock is a perennial, gardeners usually prefer to grow it as a biennial and be sure of a solid and regular group or border as a certain number usually succumb each year. The life of the hollyhock is usually not more than three or four years at the most.

Where formerly the double types, rather stiff cushions adhering closely to a rather stubby spike, were the popular form of this plant, they have given way to the old fashioned single types and those which are not so fully doubled as to destroy the grace of the bloom.

There are many beautiful colors and strains in both double and single. The new pink is one of the favorites and one of the finest colors in the whole range of the hollyhocks. New strains and colors are offered each year. The fig leaved type is one of the most graceful because of its deeply lobed foliage, suggesting the fig leaf in shape and the soft colors of the bloom and the branching spikes.

WEATHER REPORT ON NEW STATION NOW

The summer weather forecast inaugurated recently for the assistance of citrus growers of Los Angeles, Orange, San Bernardino, Riverside and Ventura counties in their pest control operations was changed to station KNX on Friday, June 8. The forecast will be given daily except Sunday at 12:14 p.m. as the concluding item in the regular 12:00 to 12:15 (noon) news broadcast.

Suggest Radical Change In Form Of County Government

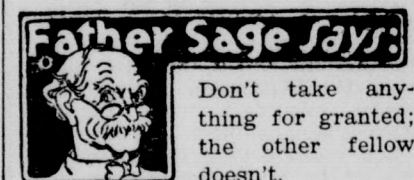

Simplification and centralization of county government by creation of a metropolitan governing body consisting of a metropolitan legislative body of 15 members working in conjunction with city councils of incorporated areas and urban councils of unincorporated areas, was urged in a report of technical advisors of the Committee on Governmental Simplification to the Board of Supervisors this week.

According to the plan a chief administrator would be chosen by the legislature, and his function would be that of coordinator to appoint administrative heads of departments such as Sheriff, District Attorney, health officer and the like. The plan, with scores of technical details resulting from a year's study and research, is now being given minute attention by members of the committee as a whole.

June Showers Not Unusual Oldest Merchant Declares

Contradicting the belief that rain is "unusual" for California in June, S. R. Norris, pioneer resident of Sierra Madre, stated that shortly after his arrival here 50 years ago, June 13, 1884, Southern California was showered by a hail storm, and in the intervening years June was usually marked by dull weather, threatening rain and high fogs.

Mr. Norris celebrated his 75th birthday on Sunday. His family gathered for a quiet party at his home, 297 West Central avenue.

Don't take anything for granted; the other fellow doesn't.

AVOCADO ASSOCIATION ELECTS NEW OFFICIALS

The California Avocado Association last week elected A. W. Christie, of Whittier and La Habra, as its 1934-35 year president. Carter Barrett, Pasadena, was elected vice-president; Edna Barger, Huntington Park, secretary, and C. H. Young, Los Angeles, treasurer. The new board of directors includes Dr. Elliot Coit, Vista; Judge F. D. Halm, La Habra; Elwood E. Trask, Carlsbad; T. G. Sutherland, Whittier; Dr. H. J. Webber of the Riverside Experiment Station; O. A. Murray, Santa Ana; and A. F. Yaggy, Santa Barbara.

By Henry Ivins Hawthurst

WELL the Art League's first birthday reception was a howling success and those who have been nursing it along are proud and happy. Our pride was most aptly expressed by the famous Ella Shepard Bush who, upon viewing the students' work, said: "This exhibit represents honest effort." C. C. McMaster, well known artist from Cleveland, said it was one of the best showings of student work he had seen, considering the short time the classes had been in operation and he added that the drawings showed the result of excellent instruction. Messrs. Morse, Dewey and Mrs. truly thank Mr. McMaster for their kind words.

Here is what was most pleasing. Between 7:30 and 10:30 more than two hundred and fifty people viewed the exhibit and they represented a fine cross section of the general interest that the Art League has developed here. It is regrettable that only

a small percentage of those attending registered in the guest book. Next time we will have to do something about this and the next time—as planned now—will be another student exhibit during the month of December.

Monday night the League classes began their second year's work, hitting the ball hard and with the eight or ten new students recently enrolled the "Old Barn" studio was filled to capacity.

Nearly three years ago THE NEWS, through this column, proposed making this community one of the outstanding art centers on the coast and at that time many believed that such an idea was visionary. But through the activities of the Art League the city has been accorded enviable, widespread publicity and no one can doubt the fact that the League has proved a definite need for its existence. Many people who viewed the students exhibit, and gained a more intimate knowledge of the work the League is accomplishing expressed their belief that the League should be supported at least in part by the local city government as are several of the local recreation projects.

The Art League's purpose goes far deeper than mere recreation.

Kiwanians Cop One; Lose Tough Game

One Player Responsible For All The Runs His Team Scores Against Locals

The spirit of Jawn McGraw visited the ball park last Thursday night in the tow of the Faith Plating Co. nine, as scrappy and argumentative a group of ball tossers as Sierra Madre has ever seen. The Kiwanis team finished on the short end with a 4 to 3 score.

The visitors proved to be more or less a one-man team. Kiwanis discovered early in the contest that a certain person—Hank by name and rank by nature to the Kiwanis players, should have been barred from the lot. He was a wizard behind and at the bat. He hit safely three out of four times at bat, scoring two of his team's runs besides driving in the other two.

E. LaLone pitched a heady and steady game for the local team, allowing only eight hits. He did not issue a single pass. And in addition young LaLone smashed out three hits in four times at bat. The score:

*Batted for Draman in 9th. In a see-saw game that kept the spectators on edge Kiwanis beat out the Ayers Printing Co. nine 10 to 9 in a ten-inning duel on Tuesday night. Going into the fifth inning with a lead of 6 to 1 Hedlund eased up and the visitors promptly stepped on it, scoring three runs by virtue of three hits and two walks. Again in the seventh the visitors crossed the plate five times through two hits, a walk and an error, taking the lead 9 to 6. Kiwanis came back with three runs, tying it up.

E. LaLone relieved Hedlund after one was out in the seventh.

Young Endeavorers Name New Officers

ALTHOUGH but half of the officers and members were present, the oft-postponed election of the Young Peoples society was held Monday night in Bethany Hall. The new administration which will take office the first Sunday of July has Miss Mary E. Sheriff as the unanimously elected president. Miss Margaret J. Montgomery was named vice-president; Miss Myrtle Wood, secretary; Jack M. Jensen, treasurer; Sam S. Hohri, lookout chairman; Cornelius J. List, prayermeeting chairman; Miss Kathleen E. Moote, missionary chairman; Miss Enid E. Murray, social chairman.

As the last official act of the present missionary committee it is announced that this group is to present a missionary service in the regular Y. P. Sunday evening meeting June 24th. And there is lurking somewhere a date for this month's social for the young people's group but as the social chairman has hid himself off to the sublime heights of the majestic Sierras it is not possible now to announce the date.

To find a profitable way of spending the Sunday afternoons, the Young Peoples society have announced that they will revive the custom of singing to those who are ill or disabled so any one who likes to have these visits is advised to notify Lawrence Limbaugh, Rev. Mr. Sheriff or any of the young people of the C. E. group.

and stopped the visitors cold, not allowing a hit for the remainder of the game. In the last half of the tenth R. LaLone opened hostilities by smashing out a single, advanced to second on Draman's out, and scored on E. LaLone's two base hit.

Hedley was the batting king for the local boys, getting four hits out of five times up. Young and Draman each connected for the circuit with two men on each time. The score:

ers in the stands Sierra Madre stepped up to the plate in the last half of the ninth determined to go over the top. Hill smashed out a double. A sizzler off Gwyn's bat scored Hill. Young singled and was thrown out trying to steal. Gwyn scoring. Pratt grounded out. Reavis walked. Pickett doubled, scoring Reavis. Mathis was safe when the third baseman fumbled. Pickett scoring. O'Grady singled, scoring Mathis. and Hill on his second time up in the inning singled, scoring O'Grady and sending the greatly enthused crowd home in a happy mood.

Hill hit safely three times out of five times up. Gwyn made three safeties and Reavis batted 500 percent. Pratt threw his right knee out of joint in the seventh inning, but it was banded up and he worried through the two final innings, managing to strike out four out of six batsmen. Though he has limped painfully during the week, he expects to be in the soldiers line-up this evening. The score:

Seek To Cut The Cost of Government

(Continued from Page One)

Alhambra, representing the 53rd Assembly District, was appointed chairman of a committee of seven "to make a definite study of the functions of State government, toward the abolition of unnecessary functions, consolidation of departments where possible, the elimination of over-lapping services, and the submission of a comprehensive tax program." This committee is to submit a report at a meeting of the Southern California delegation in December. Other members of the committee with Mr. Latham are Assemblyman Frank W. Wright, Whittier; Charles W. Lyon, William Moseley Jones, Los Angeles; Edward Craig, Orange County; John Phillips, Riverside County, and Harry B. Riley, Long Beach.

The preamble to the resolution providing for the appointment of these committees was drafted by Assemblyman E. V. Latham of Alhambra and reads as follows: "WHEREAS the regular session of the Legislature will convene in January, 1935; and WHEREAS the State is facing a deficit of approximately \$30,000,000; and WHEREAS it will be necessary to practice the utmost economy in expenditures for the coming biennium; and WHEREAS it is believed that many commissions and bureaus may be either eliminated or consolidated without injury to our State, and with advantage to the taxpayers; and WHEREAS the tax system under Constitutional Amendment No. 30 will become fully effective in 1934; and WHEREAS there will be many new members who will be unfamiliar with the problems confronting the Legislature; and WHEREAS it is believed that a definite study should be made, and a comprehensive plan submitted prior to the convening of the Legislature and WHEREAS the relief of the unemployed and the social welfare service is, perhaps, the major problem facing the 1935 Session of the Legislature," etc.

Assemblyman Martin has received notice that he has been appointed a member of the National Committee on Local and State Taxation of the National Association of Real Estate Boards. Each member of this National Committee is required to keep minutely informed as to any activities related to tax relief. Report comes from the headquarters in Chicago that the movement for tax limitation is growing very rapidly. Eighteen states have reported definite activity looking toward reduction of taxes and a fixed limit on tax rates.

Local Democrats To Organize For Campaign Tonight

Local Democrats have planned a meeting for this (Friday) evening, at 7:30 o'clock, in the Park House, for the purpose of perfecting an organization to carry on the campaign work during the coming months. Candidates for the various offices will be heard at the meetings.

City Cleans Over 200 Lots To Reduce Fire Hazard Here

The city will close its war on weeds and fire hazard next Wednesday, by which time it is expected that every lot in the city will be free of the unsightly and dangerous nuisance. To date it has been necessary for workmen employed by the city to move into more than two hundred pieces of property where the owners failed to do the work themselves or cause it to be done. The campaign to make the city reasonably safe has resulted in work for three days each for 64 of the local unemployed.

More than 80 dialects are spoken in China, but they differ so widely that they cannot be understood beyond their own locale.

A new system of football scoring devised by Andy Kerr of Colgate, would give a team one point for every first down scored. There appears to be merit in the idea, as it would virtually eliminate tie games and reduce the chances of winning on a single lucky break.
